Sign me up for the CMC E-mail list? Y N Already On (one email address per membership, two for family)

Club communications, functions, and workouts are emailed through this list. It is one of the most valuable benefits of CMC membership! With this in mind, please keep to the following guidelines:

- Solicitations, services, business promotions or other offerings resulting in financial business gains are limited to CMC sponsors. This does not prohibit members from selling occasional items, just promotion of a business.
- When you reply to an email, please do not reply to the entire group UNLESS you are ABSOLUTELY sure you want all members to receive your message. Please choose this option wisely.
- Discussions between one or even a couple people should not be carried on via the CMC mailing list.
- Messages should be written with professionalism and tact. Messages that contain obscene or insulting material are not acceptable.
- Do not forward a personal email to the CMC mailing list.
- Limit any attachments that you send to the CMC mailing list, many times these can cause problems and are good ways to spread viruses. Total email size is limited to 1MB.
- Limit any posts that are not directly related to Club activities or multi-sport oriented. This does not necessarily mean that social or non-multi-sport related items should not be posted. We are only asking that good judgment be used when posting these.
- Carefully proofread your posts prior to sending. Make sure you have said what you meant to say.
- EXAMINE THE ADDRESS you just put in the "TO" slot. Do you really want to send private correspondence to the entire CMC listserv

Please use good judgment, flagrant violations of the above guidelines could result in removal from the listserv.
