## **AUTHORIZATION**

There exists the possibility that certain changes may occur during exercise. These changes include heat related illnesses, abnormal heartbeats and change in blood pressure and in rare instances events such as heart attacks. Serious health risks are rare. While CMC Kidz takes all reasonable precautions, we can make no guarantees regarding risk. I release CMC Kidz and other agencies and organizations associated with CMC Kidz from all debts, claims, and liabilities of any kind arising out of the CMC Kidz program.

A parent or guardian must accompany and stay with their child during each activity. We can not allow a child to participate if they do not have a parent or guardian over the age of 18 with them.

I have read this form and understand there are inherent risks associated with physical activity. To the best of my knowledge my child is physically healthy and is able to participate in CMC Kidz. By my signature below, I give permission for my child to participate in this program.
